Partners

The 7th International Meeting was hosted by the Institut Monteclair, Angers in France on 5-6 October 2009.

As this was the official final meeting of the project the main objective was for the partnership to review the project outcomes, partner activity and financial reporting to date; to set deadlines for work; and to discuss further plans for the e-platform "My Vision" .

In addition to the work schedule the cultural activities included a tour of the Institut Monteclair, a visit to Brissac Castle and a formal dinner at the Institut.
